## KINDLE Strand: Leadership of Leaders

### Practice 1: Set the Example

*Follow the example of Jesus Christ and behave in ways consistent with that of a servant leader.*

#### Scripture:

“Show yourself in all respects to be a model of good works, and in your teaching show integrity, dignity, and sound speech that cannot be condemned...” *Titus 2:7-8a (ESV)*

**Quote:** “A leader leads by example, whether he intends to or not.”

-Anonymous

Followers are always influenced by the behavior and choices of leaders. A child’s day is impacted (positively or negatively) by her parent’s mood. A volunteer is more likely to have a servant heart when his team leader serves others. When we are focused on Jesus’ example and connected to Him, our behavior and choices reflect that connection.

#### Reflect:

- How could I get an accurate view of the example I am setting as a leader?
- In what ways am I modeling calm and reflective leadership that stays connected to people?

**Resolve:** *Today, I will make a conscious effort to remain connected to Jesus and set an example of servant leadership.*

**Pray:** Heavenly Father, I thank You for the gift of Your Son Jesus who is the ultimate example of servant leadership. I am reminded today of the chance I have to set an example that helps others find their own way to serve others. By Your grace, help me to set that example. Amen.
